

"I Love You" – Avril Lavigne

La la

I like your smile, I like your vibe
I like your style
But that's not why I love you
And I, I like the way
You're such a star
But that's not why I love you

Hey, do you feel, do you feel me?
Do you feel what I feel, too?
Do you need, do you need me?
Do you need me?

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you is you
Being you, just you
Yeah the reason I love you is all that we've been through
And that's why I love you

La la

I like the way you misbehave
When we get wasted
But that's not why I love you
And how you keep your cool
When I am complicated
But that's not why I love you

Hey, do you feel, do you feel me?
Do you feel what I feel, too?
Do you need, do you need me?
Do you need me?

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you is you
Being you, just you
Yeah the reason I love you is all that we've been through
And that's why I love you

Yeah – Oh, oh.
Even though we didn't make it through
I am always here for you
Yeah, yeah, yeah

You're so beautiful....etc.

La la la la (That's why I love you)
